PROPOSED DOG ORDINANCE ROCHESTER, NEW HAMPSHIRE (Presently combined with CHAPTER 15, Sections 4-A, 4-B, Police Offenses)

DOG CONTROL DEPARTMENT

- A. The Dog Control Department shall be headed by a special officer to be known as the "DOG WARDEN", to be appointed by the City Council of the City of Rochester, and to be under the direct supervision of the Mayor and the Dog Committee appointed by the Mayor.
 - The Dog Warden shall have the power to make arrests in the performance of his duties.
- B. The Dog Warden shall perform the following duties:
 - He shall attend to all complaints pertaining to dogs, shall investigate and report on all damage caused by dogs, shall enforce the licensing laws, and shall enforce all other statutes, ordinances and regulations pertaining to dogs. He shall pick up and dispose of all dead animals found upon public property.
 - The Dog Warden shall be familiar with all laws and regulations covering dogs. He shall keep the Mayor and the Dog Committee informed as to his activities, and shall make monthly reports of action taken with respect to specific complaints.
- C. The Dog Warden shall receive for his services the sum of \$2,300.00 (two thousand three hundred dollars).
- D. The Dog Warden shall make a monthly report of his activities to the Rochester City Council.

DOG CONTROL DEPARTMENT CITY OF ROCHESTER, NEW HAMPSHIRE

CHAPTER XV

Section 4-A

A. Dog shall be intended to mean both male and female.

B. "Restrained"

From January 1 to December 31 — to keep all dogs restrained shall be intended to mean that all dogs be leashed to the owner's or keeper's premises by means of either a chain or rope, or in a pen, or under the direct supervision of the owner or keeper. No owner or keeper of any dog shall permit such dog to run at large within the City of Rochester at any time or allow said dog to be a nuisance.

C. "A Leash"

Shall not be less than ten (10) feet in length and properly secured. A pen shall not be less than four (4) feet wide and six (6) feet long.

D. "Proper Shelter"

A tree, or bush, or hedge shall not be considered proper shelter.

E. "A Nuisance"

- 1. If it barks continuously for sustained periods of time.
- If it turns over garbage cans or waste containers or otherwise causes garbage or waste to be scattered in yards or on streets or sidewalks.
- If it barks at or runs after motor vehicles being driven along the streets.
- 4. If it digs or scratches in gardens or around cultivated areas so as to uproot or destroy the growing plants, shrubs, or trees.
- 5. While in heat is unconfined.

F. "A Menace"

- If it barks at or bites or snaps at, or runs after persons walking on sidewalks or streets, or persons riding bicycles.
- 2. If it gathers in packs with other dogs and runs with the pack after game, domestic animals, or human beings.
- G. It shall be the duty of the Dog Warden to apprehend any unlicensed dog, or any dog found running at large and to impound such dog in the City Dog Pound. If such dog has upon it the name and address of the owner or keeper, or if such name or address is otherwise known then the Dog Warden shall notify the owner or keeper within twenty-four (24) hours after seizure of such dog.
- H. If the dog impounded does not have the name or address of the owner or keeper, or if the owner or keeper is otherwise unknown then no notice shall be necessary.
- I. The City Dog Pound shall keep said dog at the expense of the City for a period of ten (10) days. If after such time the dog remains unclaimed then and in such event the Dog Warden shall dispose of said dog at the expense of the City.
- J. Any owner or keeper of a dog so seized may reclaim said dog during the ten (10) day period provided therefor by furnishing proof of a proper license and reimbursing said City any sum expended for the harboring of said dog and any fee for allowing it to run unrestrained.

- K. Any dog so seized and harbored in the manner herein described shall become the property of the City of Rochester. However, it may be claimed by any person who will license said dog and reimburse said City that sum expended for its keep.
- L. The City shall pay for the harboring and disposal of all dogs kept at the City Pound.
- M. In the absence of the Dog Warden the Police Department will attend to all emergency complaints.
- N. Any dog or packs of dogs caught in the act of either chasing or biting, or maiming wild game, domestic animals, farm animals, or human beings can be killed by the Dog Warden, with no libel suits or law suits brought against him in the performance of his duties in this section.
- O. No owner or keeper while walking or exercising his dog shall allow said dog to run free. All dogs being walked or exercised must be on a leash and under complete control of the owner or keeper. No owner or keeper shall wilfully or knowingly allow his dog to defecate upon the streets, the sidewalks, or private property while being walked or exercised.
- P. Any owner or keeper of a dog found violating any of the provisions of Section 4-A and the sub-paragraphs thereof shall be punished by a fine not to exceed twenty-five dollars (\$25.00) for each violation.

REPORT OF THE CITY SOLICITOR DECEMBER 31, 1972

TO THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF ROCHESTER:

. Gentlemen:

Pursuant to Chapter VI Section 3 of the General Ordinances of the City of Rochester, 1952, as amended, I submit herewith my written report of all civil suits or legal proceedings in which the City has any interest, begun, pending, or determined during my first year of office in 1972.

I am pleased to advise that the rollowing pending matters involving the City were settled during 1972.

- 1. Richard Leclair, "et ux" v City of Rochester
- 2. Stewart Trucking Co., Inc. v City of Rochester
- 3. Eastern Avenue Mobile Home Park v City of Rochester
- 4. Otis Bruce v City of Rochester et al

I am also happy to report that the following matters which were brought in 1972 were settled.

- 1. Bastienelli & Houle v City of Rochester
- 2. City of Rochester v Bo-Mar Realty, Inc.
- 3. Clarence Colwell "et ux" v City of Rochester
- 4. First Development Corporation v City of Rochester
- 5. Paradis v Watson
- 6. City v Wyandotte Worsted Co.
- 7. Roberts v City of Rochester

The following matters are pending:

- 1. Gillis v City of Rochester
- 2. Lane v Murtagh and City
- 3. Michael v City of Rochester
- 4. Tappan v City of Rochester et al

The suits involving Fitzgerald, Vickery, Harrison-Daddario and Green Engineering with the City have been consolidated for trial in the United States District Court of New Hampshire. Other litigation involves the City only remotely as Trustee in other areas.

With respect to the criminal docket of the Rochester District Court, receipts increased from approximately \$39,000. in 1971 to over \$53,000. in 1972 which reflects the increase in criminal trials in our Court during 1972.

Rochester has much to be grateful for of which the spirit of cooperation by all permanent city employees and personnel with the City Solicitor has made my task a pleasant one during the year, and is a credit to Mayor Shaw and most helpful to the public.

The Ordinances have been completely revised and await only public hearing by the Council.

The City has been completely redistricted from 6 Wards to 5 Wards to comply with the equality of voting as promulgated by the United States Supreme Court.

Respectfully submitted,

PAUL B. URION Acting City Solicitor

ROCHESTER FIRE DEPARTMENT

TO THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF ROCHESTER, NEW HAMPSHIRE:

Gentlemen:

I herewith submit my annual report for the year ending December 31, 1972.

There were a total of 553 alarms in the City of Rochester in 1972, which consisted of the following: 157 box alarms and 396 still alarms. These included 45 car or truck fires, 10 engineer's calls (6-6), 30 brush fire calls, 8 false alarms in East Rochester, 2 in Gonic and 35 in Rochester. There were 10 chimney fires, 16 grass fires, and 10 oil burner fires. There were 101 building fires, 82 miscellaneous calls, 43 smoke scares or honest mistakes, 68 first aid, accident or emergency calls and 55 second alarms or calls for more assistance. 38 permanent men's calls were transmitted throughout the year.

There were 28 alarms in East Rochester and 20 alarms in Gonic in 1972. 17 alarms were transmitted for out-of-town assistance from Rochester to other communities. These alarms are all included above in the total alarms.

We had a total of 530 ambulance calls in 1972. These consisted of 74 accident calls, 366 emergency calls, 20 transfer or convalescent cases, 52 calls to which the amublance responded, but was not needed, 14 miscellaneous calls and 4 false calls. 45 of the above calls were out-of-town.

The total number of calls and alarms answered by the Rochester Fire Department in 1972 was 1,083. There were 553 fire calls and 530 ambulance calls.

Below are the figures on buildings and contents involved in fires in 1972.

Estimated value of buildings	\$1,009,900.00
Insurance on same	712,500.00
Estimated loss	117,384.01

At this time I wish to express my appreciation to his Honor, the Mayor, members of the City Council, the Committee of the Fire Department, the Police Department, the Board of Engineers, all members of the Fire Department, and to all other persons who have rendered us assistance throughout the year 1972.

Respectfully submitted,

RAYMOND T. DEWHURST Chief Engineer

REPORT OF THE DEPARTMENT OF PUBLIC WORKS

TO THE HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL:

I submit herewith my report of the activities of the Department of Public Works for the year ending December 31, 1972.

Snow removal, salting and sanding required most of our attention for the first 3 months. However, we did considerable patching to roads and streets, weather permitting, until the middle of March.

During the course of the year we purchased some equipment to aid the City in its work. We purchased a new Ford truck for hauling, snow plowing and snow removal; also, a new Galion grader for plowing, grading and to cut ice on streets and roads; and a new Bombardier sidewalk tractor. The water Division purchased a 1966 White Diesel Tractor for hauling pipe and materials to job sites.

The first of April we started our street sweeping program and continued this until the end of November when cold weather set in.

Street signs were replaced in different parts of the city such as: Lowell Street, Washington Street, Pine Street, Maple Street, Park Street, Wakefield Street, Elizabeth Street, Brock Street, Lafayette Street, and Clow Court.

Repairs were made to bridges and culverts, due to the weather, on Salmon Falls Road, Maplewood Avenue, Portland Street, Brock Street, Hansonville Road, Maple Street, Chamberlain Street, Whitehall Road, Gilbert Road, England Road, and the Little Falls Bridge Road.

Our surface drains were cleaned in the spring and fall with the aid of our Catch Basin Cleaning Machine. Plugged drains which did not take water were rodded so they would take water.

Gravel was hauled to washed out roads in the city to improve their unpaved areas such as: Four Rod Road, Lowell Street, Gilbert Hill Road, Havenhill Road, Evans Road, State Street, Sampson Road, Chicken Farm Road, Betts Road, Villanova Lane, Bernard Road, and the shoulders on Franklin Street.

Sidewalks were repaired on some streets in the city such as: Front Street, Wakefield Street, Congress Street, North Main Street, South Main Street, Lafayette Street, Pine Street, Walnut Street, Jackson Street, Central Avenue, Chestnut Street, Portland Street, and the City Square.

We hot-topped some streets and roads in the city during the summer months such as: Ramsey Drive, Mill Street, Winter Street, Edgewood Lane, Jackson Street, Nutter Street, Letourneau Street, McDuffee Street, Beauview Street, Twombly Street, Union Street, Shaw Drive, Russell Street, Signal Street, Nutter Boulevard, Osborne Street, May Street, Bradley Court, McIntire Street, Academy Street, and Scott Street.

Oil was applied to some streets and roads to control dust on Berry Street, Chicken Farm Road, Lowell Street, State Street, Waverly Street, Jefferson Street, Hussey Road, Janet Street, Bradford Road, Bernard Road, Rands Road, Sheepboro Road, Chestnut Hill Road, Road to City Disposal Area, Road to Little League Field, and Road to Chlorinator.

Trees were sprayed in some areas of the city to combat disease and diseased trees were removed. Stumps were also removed to avoid damage to trucks plowing in the snowy months.

Water main extensions have been completed on Whitehall Road, Forest Park, Dodge Street, Chamberlain Street, Vernon Avenue, North Main Street Mall, Willow Brook, Portland Street Pump Station, Birchwood Park, Oak Street in Gonic, Wentworth Street, Hickory Lane, Juniper Street, and Great Falls Products, using 3,465 feet of 6-inch and 3,009 feet of 8-inch cement lined cast iron pipe.

We have installed a new water pump station on Portland Street to alleviate the low water pressure and increase the volume for the following areas: the upper end of Portland Street, Salmon Falls Road, and the Paradis Development.

Eighty-seven new water services were installed and twenty-two water services were relaid in the City.

Nine new hydrants were installed in the City, bringing the total to 493 in the system.

Sewer Main Extensions were completed on Portland Street, White-hall Road, Vernon Avenue, North Main Street, Hancock Street to Great Falls Products, for the Gonic Mill, for IMC Corporation on Old Dover Road, and Walnut Street, using 678 feet of 6-inch, 1,010 feet of 8-inch and 91 feet of 12-inch sewer pipe.

Twenty-seven new sewer services were installed bringing the total to 3,528 services in the system.

We sent samples of our water to the State Laboratory regularly for testing and they reported the continued high quality of our water.

I take this opportunity to express my appreciation to Mayor Shaw, members of the Public Works Committee, members of the City Council, and members of the Public Works Department for their continued cooperation and loyalty.

It is through the efforts of all concerned that we are striving to make Rochester a progressive city and a desirable one in which to live and play.

Respectfully submitted.

GEORGE C. NADEAU Commissioner

REPORT OF DEPARTMENT OF BUILDING INSPECTION

TO THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF ROCHESTER:

Although the total number of Permits Issued for 1972 compared to that of 1971 are less by 39 permits, it must be noted that the total cost for construction is up \$1,272,410.00 over the total for 1971.

The total cost of \$5,872,299.00 is the largest total cost of Construction since the Building Inspector's Office was established in 1947. It probably is true that this large figure is partly due to the price increases. However, it must be remembered that if the cost has increased so has the Assessed Valuation. Therefore, there is somewhat of a balance in this picture—that there is a little less building in general but that the building cost tends to show that there are more built-in-features in the homes than 10 years ago. Therefore, the cost of materials and the additional features have raised the cost by several thousands of dollars.

If predictions come true, 1973 totals will surpass the total cost of 1972 and the city will have two (2) years with over half (½) of a million dollars worth of construction.

Respectfully submitted,

STEPHEN J. SLEEPER Building Inspector

ZONING BOARD OF ADJUSTMENT

TO THE HONORABLE MAYOR JOHN SHAW:

The following is a summary of the activities of this Board for the year ending December 31, 1972.

The Board consists of five members appointed by the Mayor and City Council. The five members of the Board were appointed for a term of five (5) years with one term expiring annually. The present members of the Board are:

MEMBER	TERM EXPIRES
Robert Young, Vice Chairman	12/31/73
Samuel Black, Clerk	12/31/74
Chester A. Davis	12/31/75
Martin J. Bergeron, Chairman	12/31/76
(to be appointed)	12/31/77

The Board met 12 times and heard 31 appeals to our Zoning Ordinances during the year 1972.

On appeals for variances to our Zoning Ordinances, 24 were granted and 6 were denied. On appeals for Special Exception, 1 was denied. 2 appeals were dismissed upon stipulation by the parties.

Sincerely yours,

MARTIN J. BERGERON Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

TO THE SCHOOL BOARD AND CITIZENS OF ROCHESTER:

This school year, in spite of many problems, has been basically a good year for the children of Rochester. The teachers have been diligent in their work and contributed much to provide an adequate learning experience for the children. With no changes at the administrative level, this has provided stability and leadership to assure a smooth functioning educational program.

Recently more than 1800 people witnessed a graduation on Spaulding Field. This will be the last class of seniors to number less than 300. Next year, according to projections, there will be up to 350 graduating.

One of the highlights of the High School this year was the conclusion of the two year evaluation conducted by the New England Council for Colleges and Secondary Schools. Their report was as the school officials expected in that it commented on some of our outstanding characteristics and pointedly called to mind some of our shortcomings in areas we need to make corrections in the very near future.

One of the outstanding criticisms was the crowded conditions and the lack of adequate facilities to meet the needs of the students. This is an area that has plagued us for sometime and becomes more critical each year. It is vitally important for all concerned to make whatever extra effort is necessary to start construction this fall on the new High School. With an approximately two year time factor for completion we will be living with an almost impossible situation at that time.

The AREA School Boards have become more concerned and at this point Wakefield and Strafford have pulled out their Junior High School students from this agreement; and Barrington is in the process. These communities are also requesting meetings in an attempt to find out exactly what the intentions of Rochester are regarding the school. I cannot emphasize enough the seriousness of this problem.

On the brighter side however, the extended school day-school year program planned for the High School next year and the program changes at the Junior High School should offer greater educational opportunities for the schools. This is stated because the hiring of additional teachers will reduce the pupil-teacher ratio which should have a significant impact on the amount of time students will have with each teacher. In addition, the extra courses offered at both the Junior and Senior High School levels will provide greater instructional opportunities for the students. Further, the extended day also provides greater flexibility in selection, which will mean a student can more nearly select those courses he desires. Greater emphasis will be placed at the Junior and Senior High School level in Special Education and Vocational Rehabilitation. Next year we will secure the services of a Special Education teacher at the High School at no cost to the city. The Vocational Rehabilitation office will be relocated at the High

School and greater emphasis will be placed to help those students needing assistance in this area.

Our curriculum emphasis has been changing recently to place greater stress on vocational education. We have added a Distributive Education Program and a Co-Operative Program at the High School for next year. To stimulate interest such activities as a Job Fair at the High School and a Career Education Symposium at the Junior High School were held. Next year a teacher curriculum committee will undertake a long range study to evaluate all aspects of the curriculum so that it can be changed to better meet the needs of each student.

At the elementary level much progress has again been made due to our 4½ day week. A new elementary Math Program has just been approved by the Board and will be instituted next September. Inservice educational programs on a variety of topics have been held throughout the year. It should be called to your attention that our Dual Enrollment Program, in operation for the last three years, now appears to have come to an end. The Court rulings presently make it impossible to continue such an activity. However, the fact that it operated for three years enabled the city to avoid the great financial burden of the three Parochial Schools closing at once. What happens another year however, cannot be predicted at this time.

Last fall we were fortunate to receive the approval of a supplemental budget of \$82,541. This was extremely important because it provided the students with some of the materials and equipment that had not been received in earlier budgets. In addition, it has also allowed us to provide maintenance for our buildings such as repair of Junior High School roofing and painting.

The death of Rose Hartford, the bookkeeper for the school department for twenty-five years, was a great blow. She contributed outstanding work and did much to provide for the schools financial record keeping as the city's school department grew. Her loss will be missed for a long time. We were, however, fortunate to secure a highly skilled person to replace her and, although we had great difficulty during Miss Hartford's illness and death, we have now caught up with our record keeping and again, this department is running smoothly.

In conclusion I would like to state that my three years in Rochester have not been easy years but they have been profitable, and I feel productive years, during which time Rochester's Educational System has been able to cope with its problems and grow in spite of some serious obstacles. I solicit every citizen's help in providing the kind of education we must provide if our young citizens are to successfully meet their challenges as adults.

Respectfully submitted, THAYER D. WADE Superintendent

CITY ACCOUNTANT'S REPORT

TO THE HONORABLE MAYOR AND CITY COUNCIL:

Gentlemen:

In accordance with the provisions of the City Ordinances, I have examined the financial accounts of the City of Rochester and the results of the budget operations for the year ended December 31, 1972.

It is my opinion that the accompanying financial statements (Exhibits I thru VI) represent fairly the financial condition of the City of Rochester on December 31, 1972, together with the results of budget operations for the year ended on that date.

Respectfully submitted, FREDERICK M. STEADMAN City Accountant
